CORE VALUES

WE CREATE RAVING FANS by working together as a team with respect and positivity to deliver compassionate and genuine care for patients. We seek to exceed the status quo of referring offices through timely communication, continually showing appreciation and building trust.

WE ACT AS ONE united team that believes in honesty, respect, integrity and kindness to create a trustworthy environment for patients and team members alike. We understand and carry out our individual roles with accountability so we can create synergy and power as a team.

WE PURSUE EXCELLENCE by setting high standards for ourselves and cultivating an atmosphere for educational and surgical excellence through the use of education, training and technology. We empower our team to go the extra mile through collaboration and communication to deliver the +1 experience.

WE DON'T STOP in the face of obstacles and are motivated and open minded to embrace change. We strive for growth with tenacity and persistence. We strive to pursue personal and team growth through technology and education.
